

# ARCHITECT/DESIGNER III

Snow Kreilich Architects is seeking a full-time Project Architect. The ideal candidate is a highly motivated individual who can work successfully in a collaborative environment and grow with our studio.

## Responsibilities

- Lead and coordinate technical and code related aspects of a project from design through construction including direct coordination with the consultant team
- Collaborate with the Project Manager to create work plans for the internal team at the beginning of every phase of the project
- Work closely with project leaders and team members to prepare and develop design studies and concepts, presentation materials, construction documents, and specifications
- Serve as primary point of contact for contractor during construction administration and manage all project communications in an orderly and efficient manner
- Perform and/or instruct team members in any task required for the successful execution of project design development, client presentations, documentation, and delivery
- Participate in activities that strengthen our culture, expertise, and holistic approach to design excellence

## Qualifications

- An accredited professional architecture degree
- 8-10 years of experience in an architecture firm
- Licensed Architect in the state of MN or reciprocity within 6 months of hire a plus
- Strong technical and documentation skills
- Knowledge of building and zoning codes
- Experience with permitting and approvals process in the City of Minneapolis a plus
- Construction Administration experience
- Strong verbal, written, graphic communication skills with the ability to describe and implement design principles
- Proficiency in Revit, Adobe Creative Suite, MS Office applications (Bluebeam, Enscape, Rhino, Sketchup a plus)
- LEED, WELL, SITES accreditation or other green building experience/wellness certification a plus

Snow Kreilich Architects offers a competitive salary and benefits including health & dental care, disability, and life insurance, 401(k) plan, and continuing education.

Please email your cover letter, resume, portfolio, and salary expectations (as one compiled PDF up to 10 MB) to [mail@snowkreilich.com](mailto:mail@snowkreilich.com) with "LastName\_Architect" in the subject line.
